Students with college work must submit an official copy of their transcript(s) from each college they have attended. Transient students, (visiting students), must submit a letter of transiency from their home institution stating the courses they will be allowed to take. A letter of transiency must be submitted to the college for each term in attendance at Shelton State.

Students may be conditionally admitted for one semester without the above information. However, students will not be allowed to register for math or English courses without documentation of prerequisites or the appropriate ASSET/Compass score. Please be prepared to provide this documentation at the time of registration.

- Pay your tuition. Payment is due on the day you register. Space in each STAR day session is limited. If you cannot attend your assigned session, you will need to call at least three days in advance to reserve a space in the next available session. Please call (205)391-2232. Students will not be permitted to attend a session without first reserving a space.

It is advisable to begin the admissions process as early as possible. To be assigned a STAR Day a student should have completed the ASSET or Compass Placement Test or, in the case of an ACT or SAT exemption, contacted the Assessment Coordinator in the Counseling Center on or before December 7. Students who complete the application process after these dates will register during the regular registration times.

Shelton State Community College Placement Testing & Test Policies

All entering students registering for more than three hours of credit or registering for courses requiring competencies must take the ASSET or Compass Placement Test prior to registration. Placement test exemptions are given for students who have completed college level math or English courses, or students who have equivalent ACT/SAT scores. (See ACT/SAT Guide below)

ACT/SAT Placement Guide

Students who have official ACT or SAT score reports on file with the Assessment Coordinator and who graduated within the last two years may be exempt from the ASSET or Compass Placement Test if they attain the following scores: 480 SAT Verbal and 526 SAT math or 20 ACT English and 20 ACT math. Any student scoring 20 or higher on the English portion of the ACT or 480 on the Verbal portion of the SAT is not required to take the writing skills or reading skills portion of the ASSET or Compass placement test and automatically qualifies for English 101. Any student scoring 20 or higher on the math portion of the ACT or 526 on the math portion of the SAT is exempt from the Numerical Skills portion of the placement test and automatically qualifies for Math 100. If a student wishes a higher math placement, he or she must take the appropriate portion of the ASSET or Compass placement test. The student should consult a counselor to determine the proper math test he or she should take.

It is the student's responsibility to have ACT/SAT scores on file with the Assessment Coordinator and to receive a clearance slip prior to registration. The Assessment Coordinator is located in the Counseling Center on the first floor of the Martin Campus.
